

Pinders Primary School – Weekly Newsletter

Head Teacher's Comment:

Dear Parent/ Carer

The sun has shone for most of the week and I have had the pleasure of joining the Year 3 and Year 4 pupils on their trip to Murton Park. We had two fabulous days as Roman trainee soldiers, my recruits in Barrack One were brilliant mastering spear and shield practice well. A hands-on day to embed our history knowledge.

I need to welcome Mrs Bruines who started in EYFS on Wednesday, she has settled straight into Pinders and I know will be an asset to our team.

Next week we have two more new members of staff starting, Miss Assad in Year 3 and Year 1 / 2 and Mr Redfern in Year 1 / 2, I am sure you will see them in the playground.

On Thursday we held a parent meeting about One Life our RSHE and PSHE curriculum, Mrs Bedford shared a lot of information to 21 representatives from you, the parents. There will be further parent meetings and workshops which we welcome and encourage you to come along to.

As part of One Life which is about living our One Life well, children learn about physical fitness and this includes healthy eating and hydration, we will be running some workshops about what makes a healthy lunch box and why water is the best form of hydration. This is in a drive to move our children towards only drinking water at school. A lot of the flavoured waters and fruit drinks are high in sugar and additives which disrupt their ability to concentrate and can also contribute towards tooth decay. It is our responsibility as adults to teach good habits.

As always, the support you give your children is invaluable, if you have time at home please practice your times tables, below is a link to a site where they can practice. Chanting them aloud, quick fire questions walking home, writing them down and putting them on the kitchen fridge, all these things help.

Have a lovely weekend.
