

Pinders Primary School – Weekly Newsletter

Dear Parent / Carer

It has been a very busy week of trips! On Tuesday a coach full went to see *'The Lion the Witch and the Wardrobe'* at Leeds Playhouse, I was quite jealous as I heard that the scenery and puppetry was excellent, a fantastic experience for the Children who were lucky enough to go. On Thursday, there was trip to see the story *'Room on the Broom'* be brought to life on the stage and on Friday, Year 3 had a partially funded trip to the National Coal Mining Museum connected with minibests, hunting for them and creating homes. These extra opportunities for learning outside of the classroom are invaluable!

Meanwhile, in school your children continue to work hard building on their knowledge, our first Gold diamond dash certificate was awarded this week as well. Keep supporting your children with practicing their times tables, this week's idea is below;

Multiplication Flowers

Draw a multiplication flower: Have your child draw a flower with a number in the centre and **12 petals** around it, with each petal containing the numbers 1 through 12.

In school, we have a French Cart for the older Children on Wednesdays and Fridays, this has croissants and other French style foods to purchase at break. As a move towards being a healthier school, we are bringing this to a close and next Wednesday will be the final day. We are hoping that an alternative healthier snack cart will be launched in the near future.

Have a good weekend
